THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SHRIPRAKASH JAISWAL): (a) to (c) As per available information barring a few sporadic incidents that occurred on 17.2.2006 in the old city of Hyderabad in Andhra Pradesh, no communal riots have taken place in the country on account of the Prophet Mohammad cartoon issue. However, Muslims organizations had organized demonstrations across the country to register their protest by taking out rallies, organizing meetings, staging dramas, burning of the Danish National Flag etc.

According to the report received from the Andhra Pradesh Government, a few sporadic incidents occurred on 17.2.2006 in the old city of Hyderabad where some Muslim groups organized protest programmes during which incidents of stone-pelting on shops, Hindu temple, RTC buses, private vehicles and the houses of Hindus and retaliatory stone-pelting by Hindus at a few places were reported. In these incidents seven RTC buses, two cars, three two-wheelers, one shop, three houses and an ATM Centre were damaged and one Police Constable and three civilians sustained injuries. Police resorted to use of mild force, tear gassing, deployment of police forces, Rapid Action Force etc. and other riot prevention measures to bring the situation under control. About 287 persons were taken into preventive custody in this connection.

The Union Government has issued an advisory to all the State Governments and Union Territories to carefully monitor the situation and make adequate police arrangements to ensure that no advantage is taken by vested interests to exploit the situation or to incite the public/communities and cause communal tension, disturbances or any form of violence.
